TERMS OF SALE

PLEASE READ BEFORE BIDDING.

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, the first received gets the lot. When two or more unlimited bids on a certain lot are received, the first one received gets the lot at an advance of 5% over the highest bid.

When I receive your bids, I consider myself as your agent and buy the lot for you as much under your bids as the next highest bid will permit. I simply execute your bids for you as faithfully as if you had yourself been present at the sale.

I CHARGE NO COMMISSION FOR EXECUTING BIDS.

Lots sold as catalogued. No lot is broken under any circumstances. Bid by number of lot and at SO MUCH PER PIECE. If there are ten pieces in a lot and you want to offer $1.00 for the lot, make your bid 10c.

I guarantee all coins and notes to be genuine unless otherwise stated in catalogue. This guarantee holds good indefinitely.

Remittance should be made promptly in any way most convenient to yourself.

A neatly printed list of prices of this sale, showing amounts realized for each lot, will be sent for only 50c, CASH WITH ORDER. This is surely the cheapest and best method to keep posted on the prevailing prices of coins.

PLEASE SEND IN YOUR BIDS EARLY. All bids must be in on or before Tuesday, July 24, 1917.

If you have any coins that you want to sell either at auction or private sale, write me for terms.

NOTICE TO NEW BIDDERS.

Buying coins at auction sales is not the same as receiving coins on approval. The coins are bought for you on your order and you are of course expected to accept and pay promptly for them. Auction purchases are strictly net cash. Be careful in making your bids. Be sure that you bid for the lot you desire and at so much PER PIECE. Read the terms of sale before bidding.

TERMS: The terms of auction sales are strictly cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids or send satisfactory reference, otherwise they will not be accepted, as I cannot be expected to ship goods to parties whose good standing is not known to me.

The Excessively Rare Pattern Crown of Edward VII.

28 1900 Edward VII. Pattern Crown in gold or Ten-Sovereign Piece. At the time of issue the following information pertaining to this rarity was taken from a British publication:

"The idea of this curious and rare pattern was prompted by the well known type (Hawkins, Fig. 477) of the series of Charles I. The design lends itself to a similar coin representing His Majesty King Edward upon horseback, in his coronation robes and holding the sword of State. Behind the effigy is the monogram of London. The reverse is an exact reproduction of the Charles I. coin excepting legend, which answers to modern requirements. The coin (which has been modeled by Mr. Bowcher) presents a very pleasing appearance, the old style of the hammered money being preserved. Only a limited number have been struck, **six in gold.**"

One of the most beautiful and interesting coins issued. Of great rarity, as only six were struck. In absolutely perfect state of preservation.

An Unsolicited Letter From a Collector to a Dealer

Rochester, N. Y., June 19th, 1917.

"To

B. Max Mehl,

Mehl Bldg.

My dear Sir:—

I am in receipt of N. Y. draft in full settlement of my consignment to your sale of 15th May. Will say—Thank You. **I feel that the confidence imposed in you was not misplaced. Does it occur to you that when coins were sent you, your terms were never asked?**

Now I know, and am fully satisfied. Some might say that was not business—**That depends.**

Again thanking you,

I am Respt'y,

(Signed) H. FRED PARRISH."

The Dealer's Reply to the Collector's Letter Printed on the preceding Cover Page

Fort Worth, Texas, June 22nd, 1917.

Mr. H. Fred Parrish,
Rocheser, N. Y.

My dear Mr. Parrish:—

All of us have different conceptions of what "results" from our efforts constitute. Primarily we all probably look for the pecuniary results, as this is one of the most essential. But although I am yet young, I have found out long ago that the results worth while are those which consist of friends whom we create through business placed with us.

The first thought I always have when any transaction is placed in my hands is that of making that particular client a satisfied friend. I mention this to give you an idea how much I appreciate your good letter. Whatever the profit in handling your consignment might be, it is not valued by me nearly as much as the satisfaction and pleasure in knowing that my efforts to please you have proven so successful. I appreciate deeply your kindness in telling me so.

Cordially yours,
